

Library Staffing Profile In Relation to Economically Disadvantaged Students and Race/Ethnicity of Students 2016-2017

Compiled by Pennsylvania School Librarians Association

This profile reflects library staffing in relation to economically disadvantaged students and percentage of students grouped by race and ethnicity. In 2016-2017, the average number of students per librarian is 849.

Library staffing data is provided by “Survey of Library Staffing in PA Public School Districts, 2016-2017,” conducted by the Pennsylvania School Librarians Association. Student data is provided by PA Department of Education’s 2017 “PA School Performance Profiles.”

Economically Disadvantaged Students
