Fortinet E-Rate Eligible Solutions

More Security. Greater Simplicity. Less Cost.

There are many new and exciting changes for the 2016 E-Rate program including \$4.9B in program funding.

Fortinet, the industry leader in Unified Threat Management/Next Generation Firewalls offers many products and services that are eligible under the E-Rate program including: wireless access points, UTM/NGFW, network switches, and caching.

With so many CAT 2 solutions, we've made it easy for you to review all of our E-Rate eligible products on our E-Rate Information Center:

<http://www.erateproviderservices.com/fortinet-home>.

E-Rate is a tremendous opportunity for schools and libraries to purchase the technology necessary to provide safe and secure learning environments for students and staff. Fortinet welcomes the chance to help you to navigate the process and answer any questions that you have in regards to Fortinet's E-Rate eligible solutions. For more information, please reach us at 1-408-235-7700 or email us at erate@fortinet.com for more information.
