How do you successfully implement and assess the VLE?

1. Briefly explain how you could implement the VLE?

2. List 2 – 3 ways that you could actively use the VLE as part of your teaching.

3. List 2-3 assessment tools/methods that you currently use in the course that are effective.

4. What are some ways you can assess the VLE?
   a) Collect student usage data for the VLE?
   b) Collect student usage for the VLE and its effectiveness in the course?
   c) Collect assessment data for SoTL publications, grants, etc?
