TRADITIONAL TEXTBOOK COSTS

Increase in Textbook Prices

What Libraries are Currently Doing

- Buying Packages with course use materials
- Mining Bookstore lists and purchasing available titles
- Encouraging Faculty to use library resources as required course materials
  - Mini-grants
  - E-Textbook Database
Publisher concerns

- University Presses and other small presses rely on textbook revenue.
- Commercial publishers have entire publishing arms dedicated to textbook publishing and sales.
Can we Work together?

- Package Purchasing
- Class sized based purchasing
- Usage Based Purchasing
