Categories for Science Curriculum

Living/Non-Living
Plant/Animal

**Zoology:**
Vertebrate vs. Invertebrate
Vertebrate Classes
- fish
- amphibian
- reptile
- birds
- mammals

Invertebrates

**Botany:**
- Parts of the plant
- Parts of the leaf
- Parts of the flower
- Parts of the root
- Parts of the seed
- Gardening
- Care of plants

**Biology**
Human Anatomy

**Physical Science:**
- States of Matter
  - solids, liquids, gasses
- Magnetism
- Electricity/Energy
- Chemistry
- Simple Machines

**Earth Science**
- History of the Earth
- Volcanoes
- Rocks and Minerals
- Fossils
- Dinosaurs
- Weather/water cycle
- Solar System
- Recycling
- Composting
