Steps for Grammar Box Work

1. **Sort** cards from the Filler Box into the sections of the Sorting Box.

2. **Read** the first phrase or sentence on a Command Card. (Phrase Card)

3. **Act** it out: Bring items, or perform / mime the action.

4. **Find** the word tickets that make up the first phrase and build the phrase, with the word cards all in one row.

5. **Symbolize** each word in the phrase with Grammar Symbols.

6. **Transpose** the words and discover how the meaning changes.

7. **Reconstruct** the original phrase or sentence.

8. **Repeat** steps 2-7 for each remaining phrase or sentence.

9. **Record** the work, using the Grammar Symbol Template.
   
   → Include a key to the symbols.
