Slavery Story Quilts
Augment YouTube videos with additional information, orienting questions, and more.

ThingLink interactive video contains clickable hotspots such as text, images, video, music, and maps. Hotspots appear for the viewer during play giving an option to explore the embedded content while pausing the video in the background.
Add student narration and closeup photos to 360° images to create your own virtual tour.

Layer content with over 70 call to action tags

What truly sets ThingLink apart is the diverse range of rich media you can easily layer on top of your content.
THINGLINK EDITOR WORKS WITH OTHER SERVICES

Use resources from your online databases and library subscriptions to find content for your tags. Share your ThingLink creations in your Google Classroom or LMS via link or embed code.

CONTENT TAGS: EXAMPLES OF SERVICES YOU CAN SHOW IN THE IMAGE

- Discovery Education
- Wikipedia
- Padlet
- Flipgrid
- Google for Education

SHARING: SERVICES WHERE YOU CAN SHARE YOUR INTERACTIVE CREATIONS

- Canvas
- Blackboard
- Edmodo
- Moodle
- Schoology

bit.ly/arcadia18thinglink
Why?

bit.ly/arcadia18thinglink
Student content creation promotes highest levels of learning
- Student content creation promotes highest levels of learning
- ThingLink improves students’ practical skills in mastering mobile digital tools
● Student content creation promotes highest levels of learning
● ThingLink improves students’ practical skills in mastering mobile digital tools
● ThingLink works with your existing equipment and is a sustainable resource

● Embed in Museum: feedback/comments/questions
● Visitors share stories
● Students’ reflection on process
● Immigrants share their stories

bit.ly/arcadia18thinglink
Ask your immigrant to answer 10 questions:
1) What was life like in your country of birth?
2) Why did you leave your country of origin?
3) Why did you choose America?
4) How did you feel about going to America?
5) Describe your journey to America.
6) What was your first impression of America?
7) Describe your adjustment to America.
8) Share a fun story about your immigration process.
9) What does America mean to you?
10) Share anything about your immigration story.

PLEASE SHARE YOUR STORIES, QUESTIONS, COMMENTS.

Thanks for visiting!

Thanks for visiting my Chinese Immigration Virtual Museum. Any comments, feedback and/or questions are welcome. Feel free to also share your immigration story with us. How did you/your family/your ancestors come to America? Just press the plus sign and record your message on Flipgrid. Thanks for visiting and for sharing!
